One M Mallikarjunah submits
a petition making allegations against the

Sub Divisional Officer, Tanjore (the Ex-officio President of the Tanjore Town mel cl) to the effect that, though he (the applicant) and one Mr Mohamed Ghouse submitted petitions praying for the grant of licence for the construction of cinemas at the place in Jan, 1945 and though a resolution was passed by the mel cl to grant licences to both the applicants, the President supported Mr Mohamed Ghouse only and arranged to get sanction for the construction of a cinema to Mr Ghouse accordingly

5) The report submitted by the President shows that Mr Ghouse submitted a petition as long back as 1941 for the construction of a cinema some time after the three persons named Messrs K V Setty, T Rajagopala and Mr Veerabhadraiah, and Mr Venkataramiah submitted their representations for the construction of cinemas the D C, the Executive Engineer and the Electrical Inspection including the Asst Medical Officer, after spot inspection, have approved of the site selected by Mr Ghouse. The D C has accordingly issued instructions

With reference to memo No I. 6750-1 dated 10th Jan 46 from the Secretary to Government, Revenue Department, Bangalore, on the above subject, I have the honour to state that Tarikere is not large enough a town to justify two cinema houses I would suggest that attempts may be made to pursuade the two parties to join their financial resources and to build one common cinema theatre for which a suitable site of about 200'x 300' may be selected at a safe distance from the Bangalore-Shimoga trunk road

Petition... B Mallikarjuniah, Timber Merchant,
Tarikere, Kadur District

Respected Sir,

The petitioner abovenamed most respectfully begs to state as follows --

1) That in the month of January 1945, the petitioner and one Mohamed Ghouse applied to the Tarikere Municipality for grant of licenses to construct Cinema theatres at - Tarikere The Municipal Council, at a meeting held in the same month passed a resolution that both the applicants be granted licenses to construct the proposed cinema - Theatre Mr S.K Azeez the Sub Division officer and the President of Tarikere Municipality, however, preferred to support Mr Mohammad Ghouse and forwarded his application to the Deputy Commissioner, who, the petitioner understands submitted the same to the Government with his recommendation and got necessary permission issued to Mr Mohamed Ghouse to proceed with the construction of his Cinema building

2) The application of this petitioner, however is retained there alone and has not been sent to Government at all, though the Municipal council, ... the same meeting passed a resolution sanctioning construction of both the cinemas

3) The petitioner approached the Deputy Commissioner several times who was kind enough to assure the

the petitioner that he would look into the matter and redress his grievances and to the great misfortune of the petitioner the matters remain where they were

4) Tarikere is a very important, growing town with a population of nearly ten thousand. In these Malnad parts there are no other avenues of public recreation and the Cinema house would afford the long felt need

5) The petitioner, believing that in the usual course, the Sub Division officer would forward his application also to the Government, collected all the necessary building materials at heavy investment which are all still lyir with him and he would be put to very heavy loss and public disgrace if the necessary sanction is not granted to him

6) The petitioner respectfully prays that the Government would be pleased to send for the records in this matter and look into the application of this petitioner and order sanction for constructing his cinema theatre

Office of the Sub Divisionofficer,

The Deputy Commissioner,
Kadur District,

Sir,

With reference to your memo No Jl C-490/45-46 dated 20-8-45 and subsequent reminder dated 7th September, 45 asking me to report on the petition of L.B Mallikarjuniah for the grant of a license to construct a Cinema theatre at Tarikere, I have the honour to state as follows -

1 The petitioner in the first para of his petition has stated that he and one Mr S Mohamed Ghouse applied for alicense to construct a Cinema theatre at Tarikere in January, 1945 almost simultaneously and that the Municipal Council passed a resolution that both the applicants be granted Licenses to construct Cinema theatres, and that the President of the Municipal Council Mr S K Abdul Aziz, preferred to support Mr S Mohamed Ghouse and did not forward the petition of the petitioner to Government and has also made several allegations in the several paras

From the records enclosed it could be seen that Mr S Mohamed Ghouse alias Babjan Sab, General Merchant, Tarikere presented his first application requesting for a license to construct a Cinema theatre at Tarikere to the Deputy Commissioner, Kadur District and also to the President, Town Municipal Council, Tarikere as long back as 1941 Having presented the application, he pursued the application and got the plan approved for the purpose Sometime after the presentation of the application by Mr Babjan Sab, four more persons in succession have applied for the grant of licenses for the construction of Cinema theatre in Tarikere, viz, Mr K V Setty, Mr T Rajappa, Mr B V Veerabhadhya and Mr Venkataramaiah after joint inspection of all the spots by the Deputy Commissioner the Executive Engineer, the District Medical Officer and the Government Electrical Inspector along with the President of the Town Municipal Council they have all come to the conclusion that the site of Mr S Mohamed Ghouse is the one suitable for the construction of the Cinema theatre All this has taken place long before January, and long before I took charge of the Municipality

It could also be seen from the records that the Deputy

Deputy Commissioner has in his memo No. L.Dis. Jl.C. 665/43-Gr. 30th March,44 issued instructions to the President that a licen should be granted to Mr S Mohamed Ghouse for the construction a Cinema Theatre at Tarikere It is not known that inspite of t orders of the Deputy Commissioner directing the grant of a License how the matter was perding Probably, the then President, Mr. Syr Ghouse Mohiddin had kept it for obtaining the formal approval of th Municipal Council. It could also be seen from the office records that all the above named applications were referred to the Managing Committee for opinion and in the meeting of the said committee Mr. L B Thammaiah, Presiding (who is the brother of the applicant and a member of the joint family) the committee has resolved, that Licenses may be granted one to Mr Sabjan Sab and the other to Mr K V Setty the first application presented by Mr L B Thammaiah (brother of th applicant) for M/s L V Basappa and sons to the Deputy Commissioner and to this office was on 25-1-44 and 25-1-44 respectively, which has also been considered by the Managing Committee as stated above on 4-10-44 Again Mr L B Thammaiah has presented an application to the President, Municipal Council by which time the Municipal Council had decided to grant two licenses in favour of the above and the Deputy Commissioner had issued orders for the grant of license

After I took charge on 7-12-43, in the first meeting of the
B Council on 7-1-45, the question of grant of License came up for consideration and the Municipal Council resolved in keeping with the resolution of the Managing Committee, that licences for the construct of two Cinema Theatres may be granted and that the selection of the o the sites and the applicants be left to the discretion of the authority Executive Engineer Accordingly and keeping the correspondence on the subject in view and the orders of the Deputy Commissioner dated 30th March, 44 granting a License in favour of Mr S Mohamed Ghouse a recommendation was made to the Deputy Commissioner by me enclosing a
A J copy of the resolution on 10-1-45, recommending for the grant of a license to Mr S Mohamed Ghouse A copy of the recommendation is enclosedin the file In that reference I have sought instructions from the Deputy Commissioner regarding grant of license to Mr S Mohan Ghouse alias Sabjan Sab, pending his grant or otherwise of a second license, as this was pending from ~~xxxxxx~~ a very long time The
X H Deputy Commissioner in his No JC 66//43-45 dated 30th June, 45 has ~~x~~ ordered Accordingly me to grant a license to Mr S Mohamed Ghouse

Mr S Ghamed Ghouse as he has the materials ready for the purpose He has also said that the question of granting license to another person may be considered after this building is completed Accordingly action has been taken

Now it could be seen from the records, that the representations made by the petitioner Mr L B. Mallikarjuniah is not only false through and through but insinuating In view of the above detailed report, I might point out that the allegations made against me by the petitioner stating that of the applications made by himself and Mr Mohamed Ghouse, I preferred to support the case of Mr S Mohamed Ghouse is entirely unfounded and baseless and a thing against which strong exception has to be taken

I therefore request you kirdly to recommend to Government not to take cognisance of such false and unfounded applications but on the other hand to taken action against the petitioner for making unfounded allegations against responsible officers, if necessary Except the application presented to Government there has not been any application either to the Deputy Commissioner or to this office by the applicant The only applications are by Mr L B Shammaiah on behalf of the applicant and his ~~xxxxxx~~ father

In this connection, I may add that the site proposed by Mr L B Mallikarjuniah is quite unsuitable for the construction of a Cinema theatre as it is just adjacent to a Kabrastnan and in the midst of dwelling houses Further, Harikere being a small town with a population of less than 10,000, it is not desirable to give License for the construction of two Cinema theatres in this place I therefore request that the application may be ordered to be rejected once for all The connected records are herewith submitted and I request that they may be arranged to be returned when no longer required

Petitioner

-L B Thammiah, Timber Merchant,
Tarikere

The Petitioner abovenamed most respectfully beg to submit as follows -

1 The Municipal Council, Tarikere at its meating resolved to permit construction of Cinema Theatres at Tarikere The Petitioner and one Mr Mohamed Ghouse the/two were applicants that sought permission of the Deputy Commissioner, Kadur District for construction of two cinemas The Sub Divison Officer of Tarikere who is also the President of the Town Municipality began to help in several ways Mr Mohamed Ghouse to expediate grant of permission to Mr Mohamed Ghouse While he raised all sorts of objection in the case of this petitioner The Deputy Commissiorer however granted an endorsement to the Petitioner that permission would be granted after Mr Mohamed Ghouse completed his theatre Against this endorsement of the Deputy CommissionerxI the Petitioner appealed to the

the Government and the Petitioners understands that the Government is pleased to refer this file to the Deputy Commissioner to know whether there is need for two cinemas and also to get the opinion of the Director of Public Health and the Government Architect regarding the suitability of the places

2 In this connection the petitioner most respectfully begs to submit that it would be just, proper and equitable if the sites of the petitioner as well as that of Mr Mohamd Ghouse are directed to be inspected by the Director of Public Health and the Government Architect The Petitioner ventures to submit that it will most inequitable if Mr Mohamed Ghouse is allowed to proceed with the construction of his theatre while the Petitioner's case is referred to the Director of Public Health and Government Architect for their report The Petitioner begs to assure that the site upon which Mr Mohamed Ghouse is attempting to construct a cinema is in the heart of the town surrounded by dwelling houses all round The site also is not sufficiently big to allow enough space for sanitary arrangements etc , and and certainly he does not satisfy the requirements as contemplated in the Cenemotograph Act of Mysore

3 The Petitioner feels sure that ~~the~~ if the Director of Public Health and the Government Architect would inspect the spot they will certainly not approve of it The Sub Division Officer who is also the President of the Town Municipality is fully aware of these circumstances but for reasons best known to himself he has granted him the license while he has denied the same support to the Petitioner with the result Mr Mohamed Ghouse is hurrying to construct his building and make it a matter of faith accomplice

4 Whereas the site on which the Petitioner proposes to construct this Cinema House is outside the Town It is very big in area In fact for over several years all Dramatic Companies that visisted Tarikere have been putting up their theatres in this site The Petitioner assures that his site is most ideal one and is sure to be approved by the Director of Public Health and the Government Architect as the best one for the purpose

Under these circumstances the petitioner most respectfully prays that the Government be pleased to direct the Director of Public Health and the Government Architect to inspect both the spots and submit their report as to suitability or otherwise and pending their report and in the interests of justice, fairplay and equity, it is necessary

necessary and proper that the Government be pleased to Order suspension of the License granted to Mr Mohamed Ghouse and restrain him from proceeding with his construction which would meet the ends of justice

Sir,

Re.- Construction of Cinemas at Tarikere.

With reference to your D O. Letter 22nd January 1946 on the above subject, I have the honour to state that the President Town Municipal Council, Tarikere, has been directed to stay further action regarding the work of construction of the Cinema building Mr S Mahmad Ghouse alias Sabjan Sab of Tarikere, to whom a license has already been issued in July 1945 has represented that he has already invested about Rs.18,000/- on the building materials, labourers etc and that he would be put to a great loss if the work is stopped He is a respectable gentleman and has donated a sum of Rs 5,000/- towards the construction of a Veterinary Dispensary building at Tarikere. The Government Architect is of opinion that Tarikere is not large enough a town to justify two Cinema Houses and he has suggested that attempts may be made to pursuade the two parties to join their financial resources and to build one Common Cinema theatre for which a suitable site of about 200' x 300' may be selected at a safe distance from the Bangalore - Shimoga Trunk Road Neither of the parties would be agree to this suggestion nor is there such a site available In the above circumstances, I request that orders of Government may be kindly obtained to raise the stay order issued and to allow Mr S Mahomed Ghouse alias Sabjan Sab to proceed with the work of constructing the Building. A copy of his application presented to me on 28th January 1946 is enclosed for favour of reference

I may add in this connection that the opposite party has not approached me in the matter till now and I do not even know

even know as to where he wants to construct the Cantonment Building.

Copy of representation made by Mr S Mohamed Ghouse Alias Sabjan, Proprietor, The General Stores, Tarikere - to the Deputy Commissioner, Kadur District , Chikmagalur.-

---

I beg to bring to your notice the following representation of mine for sympathetic consideration and early favourable orders

I was granted a license for the construction of a Cinema Theatre in this town on 3-7-45 by the President of the Municipal Council, Further I was served with a notice to complete the work of the said building within a period of one year from the date of the issue I am highly grateful for this act of generosity on your part.

As it is known to you, Sir, I was anxiously trying to secure a license for the construction of a Cinema building since the last 5 years and perhaps I was the only applicant in this respect I was taking very keen interest in doing all that was necessary for the construction of a Cinema Theatre, and I had some building materials with me. As soon as license was granted to me I placed orders immediately for all the necessary materials and at present the foundation work is in progress.

To my great surprise I was served with a notice on 25-1-46 issued from the Office of the President, Town Municipal Council, Tarikere directing me to stop the construction work of the building This has upset my work. I have purchased materials at a cost of Rs 18,000/- which is to be found at the spot and I have engaged about 19 labourers permanently, getting men from Bangalore I have also purchased 4 pairs of Bullock carts and I have incurred a lot of expenditure. I have advanced nearly Rs 2,000/- for the labour. I have also placed orders for the supply of Abbestos Sheets, Cement Iron and Tresses I have also got bricks manufactured. In view of all these I shall be incurring a very heavy loss if I am asked to stop my work The materials will be of no use to me if it is not utilised for the purpose for which they were purchased (The construction of a Cinema Building). This makes my position ridiculous in the eyes of the public.

I have absolutely no ill-will or malicious feeling if license for the construction of a Cinema Building is granted to another applicant also The Municipal Council, Tarikere, have resolved ~~xxxxxxxxxxxxxxxxxxxxxxxxxx~~ that a license may be granted to me.

Taking into the consideration my position as explained above, I most respectfully request you to kindly obtain orders of Government early for enabling me to continue the construction of the building.

I shall ever remain grateful to you for your sympathetic orders in this behalf.

Kadur District.

Respected Sir,

I beg to bring the following representation to your kind consideration and for early sympathetic orders

The applicant is a native of Tarikere He is the owner of the "General Stores" and has been serving as a Municipal Councillor for the last 12 years and has donated Rs 6000/-for the construction of a Veternery Dispensary in his father's name

The applicant was anxiously trying to secure a license for the construction of a Cinema Building in his town since the last 12 years. The said license was granted on 3-7-45 by the President of the Municipal Council The Council had resolved to grant the applicant one of the licenses The applicant had some materials on hand and ordered for the supply of building materials such as Asbestos sheets Cement, Iron and Tresses etc He got bricks also manufactured He has invested Rs 18000/- on the building materials to be found on the spot He has engaged about 19 labourers from Bangalore The foundation work of the building is in progress

Now on 25-1-46 the applicant was served with a notice to stop the construction of work of the Building until orders of Government are receive

By the above order the applicant finds his position ridiculous He is upset in his work and will be incurring very heavy loss if he is not allo to construct the building as he has advanced nearly Rs 2000/- towards labour

The applicant therefore respectfully begs to request that kind orders may be issued to proceed with the construction work of the buildin The applicant has no illwill if license is granted to one more perso if desirable

The applicant will be grateful for your kindness in this behalf.

The Petitioner most respectfully begs to state as follows ---

He is a permanent resident of Tarikere from the time of his fore-fathers He is a respectable man of the place and has been serving in the Municipality of the place as a Councillor for over 12 years

He has also donated a sum of Rs 6000-0-0 towards the construction of a Veterinary Hospital at Tarikere merely out of love for the place where he has been living ever since He is also taking a keen interest and actively participating in running a free Boarding House for the students of Tarikere

The Petitioner was and is also very much anxious to construct an up to late Cinema Theatre to serve the local needs and as such he has been trying to obtain permission from the Government for the same and hence it was finally granted a permission on 3-7-1945 The permission specifically directed that the Building should be completed within one year In pursuance thereof the Petitioner immediately started to gather the raw materials necessary for the building, and at an enormous expenditure of over Rs 18,000/-, he has collected the required materials and started construction immediately thereafter He has also hired out the masons and expert workmen from Bangalore about 20 in all paying them an advance amount of Rs 2000/- He has also to look after their food and to supply them their daily requirements

The site on which he has proposed to construct the Cinema Building, which has also been approved of by the Government, had a pucca Building, worth about Rs 6000-0-0 has also been demolished and the foundations of the Cinema Building

have been laid up But unfortunately on 25-1-1946, the Petitioner was served with a notice to stop the construction forthwith until further orders of the Government

The Petitioner is very much harassed by such an order and feels very much disgraced in the eyes of the general public on account of such an Order

He therefore prays that the Government may be pleased to issue immediate orders permitting him to continue the work which he has already started

Re - Grant of Cinema Licenses at Tarikere Town.

Sir,

In continuation of my letter NO. 1659 dated 23-1-1946, on the same subject, I have the honour to state that neither of the sites suggested by the two applicants is suitable.

A good site for a cinema should be not less than 100' to 120' wide & 180' to 200' long preferably more The two sites at Tarikere are only 83' X 126' (Mr. L B. Mallikarjuniah) and 80' X about 150' (Mr. S. Mohamed Ghouse).

The site of Mr Mallikarjuniah has the additional disadvantage of being wedged between a Kabarstan and an Urdu school two neighbourss who are likely to object to the noise of a cinema, while the site of Mr. Mohamed Ghouse abuts the main Government Trunk Road, which is a definitely onjectionable situation

In view of the above, I would re-iterate the suggestion made in my above quoted letter that the 2 parties may be advised to join their financial resources for the construction of ONE good cinema house in a suitable site
